PUBLIC RELEASE OF INFORMATION

- (a) Information, data, photographs, sketches, advertising, displays, promotional brochures, or other materials related to work under this order, which Seller desires to publish, display, or release internally, to other contractors, to government agencies, or to the public, shall be submitted to Bettis for approval at least eight weeks prior to the desired printing or release date. This includes descriptive or promotional material which links or relates, directly or indirectly, Seller's product line, manufacturing facilities, or manufacturing capabilities to performance of naval nuclear propulsion work. As part of the approval request, Seller shall identify the specific media to be used as well as other pertinent details of the proposed release. All releases, regardless of tier of supplier, must have the prior approval of Bettis.
- (b) Should any information described in (a) above be requested, subpoenaed, or otherwise sought by a court or other judicial or administrative authority, this should be promptly brought to the attention of Bettis to permit appropriate measures to be taken to protect the information. Under no circumstances, should this information be released to such authority without prior notification and agreement of Bettis.
- (c) Seller agrees that this requirement of prior Bettis approval of any release shall survive the purchase order and that Seller shall not for a period of twenty years subsequent to the issuance of the purchase order either directly or indirectly issue any such release without the requisite approval of Bettis, its successor or assignee.
- (d) Seller shall include all provisions of this article including this sentence in all subcontracts under this order.

ASSIGNMENT

Neither this order nor any interest therein nor claim thereunder shall be assigned or transferred by the Seller except as expressly authorized in writing by Bettis.

CONDITION OF RENTED PROPERTY

Rented property furnished under this order shall be of good quality and in safe operating condition, and shall comply with the Federal and State safety regulations applicable thereto. Bettis shall accept or reject the rented property promptly after receipt. If Bettis determines that any rented property furnished is not in compliance with this order, Bettis shall promptly inform the Seller in writing. If the Seller fails to replace the rented property or correct the defects as required by Bettis, Bettis may (a) by contract or otherwise, correct the defect or arrange for the rental of a similar property and shall charge or set off against the Seller any excess costs occasioned thereby, or (b) terminate the order under the Default article of this order.

RESPONSIBILITY FOR RENTED PROPERTY

Except for reasonable wear and tear, Bettis agrees to return the rented property in as good condition as when received.

RESPONSIBILITY FOR DAMAGES

- (a) Seller assumes entire responsibility and liability for losses, expenses, damages, demands, and claims in connection with or arising out of any injury or alleged injury (including death), or damage or alleged damage to property, sustained or alleged to have been sustained in connection with or to have arisen out of (1) Seller's providing of defective rented property or (2) Seller's defective maintenance of rented property (when such maintenance is required by this order). Seller will indemnify and save harmless the Government and Bettis from and against any and all claims, demands, actions, causes of action, suits, damages, expenses (including attorney's fees) and liabilities whatsoever resulting from or arising in any manner on account of or by reason of any damages which may occur or be alleged to have occurred as a result of or in connection with (1) Seller's providing of defective rented property or (2) Seller's defective maintenance of rented property (when such maintenance is required by this order).
- (b) Seller shall procure or cause to be procured at its own expense, and shall likewise maintain or cause to be maintained, during the term of this order, insurance sufficient to protect Seller, Bettis and the Government against all liability with respect to bodily injury or death, or property loss or damage, which may be imposed by law upon Seller or which is assumed by Seller under this order. Such insurance shall be in such amounts, with such companies, and on such forms as are satisfactory to Bettis, and shall provide for at least thirty days prior written notice to Bettis of cancellation thereof. All such policies of insurance shall contain a clause reading substantially as follows: "The insurer waives any right to subrogation against Bechtel Bettis, Inc. or the United States of America which might arise by reason of any payment under this policy." Certificates of such insurance shall be furnished to Bettis, upon request, and Bettis' approval of such insurance certificates shall be obtained prior to the commencement of any such work by or for Seller. Seller shall not be relieved of liability assumed pursuant to this article by reason of the procurement, maintenance, limits, or coverages of any insurance policies whether or not approved by Bettis.

RENTAL PAYMENTS

- (a) Upon the submission of proper invoices or vouchers, Bettis shall pay rent for the rented property at the rate(s) specified in this order.
- (b) Rent shall accrue from the beginning of this order, or from the date rented property is delivered to Bettis, whichever is later, and shall continue until the expiration of the order term or the termination of this order. However, rent shall accrue only for the period that any rented property is in the possession of Bettis.
- (c) Rent shall not accrue for any rented property that Bettis determines does not comply with the Condition of Rented Property article of this order or otherwise does not comply with the requirements of this order, until the rented property is replaced or the defects are corrected.
- (d) Rent shall not accrue for any rented property during any period when the rented property is unavailable or unusable as a result of the Seller's failure to render services for the operation and maintenance of the rented property as prescribed by this order.
- (e) Rent stated in monthly terms shall be prorated on the basis of 1/30th of the monthly rate for each day the rented property is in Bettis' possession.

The following article applies to this action.

By acceptance of this order, Seller agrees that the scope of the work required is understood by Seller; that there are no informal commitments by Bettis that in any way affect the work under this order; that there are no open or unresolved issues related to this order except as explicitly stated herein; and that Seller therefore understands and agrees that this order states the complete agreement of the parties.
